

KIDS MARKET

Are you a budding artisan, crafter, baker or gardener? This is your opportunity to shine! At the Kids' Market, we welcome children who have handmade products, homemade goods, or homegrown produce to sell.

1

RULES

Everything you sell must be made or grown by you. This ensures that each item is a unique creation of your own imagination and hard work. Remember, creativity knows no bounds!

2

HOW TO PARTICIATE

Make sure to have an adult or guardian accompany you throughout the market, from setup to tear down. Safety first! We encourage you to bring your own table and set up to display your products. This way, you can showcase your creations exactly how you envision them.

DETAILS

Mark your calendars – the Kids' Market will kick off in June and will be held on the first Tuesday of every month thereafter. This market is FREE!

WHAT SETS US APART

We welcome budding kid entrepreneurs to our once a month Kids Market – a special space where young people can showcase their creativity and entrepreneurial spirit!

This initiative aims to provide a place, at our local farmers market, for aspiring young entrepreneurs to showcase their produce and/or homemade goods.
